

CASA GRANDE MOUNTAIN TRAILS PROJECT

CALLING ALL SPONSORS

The Casa Grande Mountain Trails Steering Committee is looking for corporate/organizational sponsors to provide volunteers and/or financial support for our trail events.

Sponsors can:

- Provide lunches for an event
- Provide a financial donation
- Provide tools, equipment, signage, etc.
- Provide volunteers to maintain trail and/or fencing
- Purchase giveaway items
- Host a trail building day by bringing your employees together with nature

This is a great opportunity to associate your business/organization with the preservation efforts of the Casa Grande Mountain Trails Steering Committee. A special account has been designated for the Casa Grande Mountain Park Trails Project, and a receipt/letter acknowledging your donation will be sent.

Visit www.cgmountaintrails.org and contact us via our [Sponsor page](#).

The long-term goal on Casa Grande Mountain Park includes continuation of design and construction of trails complete with a variety of choices including long or short loop trails, easy to challenging experiences, short and long range views, and views of the city and of the desert.

The Casa Grande Mountain Park Trail System promises to be a spectacular local and regional attraction for trail enthusiasts, wildlife watchers, and those looking for a natural respite from the City's growing urban environment.

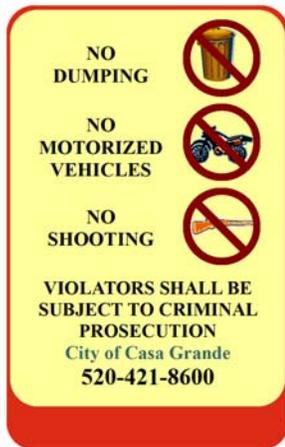

Illegal dumping, Off-Highway-Vehicle (OHV) use and wildcat shooting has been a consistent problem within the Casa Grande Mountain Park area and the following efforts have been made to protect and preserve the Casa Grande Mountain Park area.

First, although most dumping occurs on private parcels, Daybreak Rotary partnered with Pinal County probationers and the City of Casa Grande Sanitation Division to collect over 35,000 pounds of garbage in four clean-ups over Fall and Spring dates. Beginning in May and continuing, the Casa Grande Police Department conducted an educational campaign for those seeking to ride their OHV or shoot in the area, delivering brochures to visitors. These brochures outline legal areas to ride and shoot. Finally, the Parks Maintenance Division fenced over 8,000 feet of the mountain park eastern and southern boundaries to discourage illegal dumping, shooting and further protect the area from motorized vehicle damage.

These investments are just some of the many ways to preserve the precious natural resource that is Casa Grande Mountain. It's very important to protect and preserve this area, therefore if you witness any violations such as vandalism, dumping, OHV use, shooting or other illegal activity, please call Casa Grande Police Department at 520-421-8700 or 9-1-1. Please report maintenance issues to Casa Grande Parks and Recreation Department at (520) 421-8677.

City Boundary fence continuously vandalized

The fence is meant to minimize illegal dumping, OHV use and wildcat shooting. This investment is just one of the many steps to preserve the precious natural resource that is Casa Grande Mountain. Please call the non-emergency PD number to report violations such as vandalism, dumping, OHV use and shooting or contact Parks Maintenance to report fence maintenance needs.

Updates

- Parks staff is continuing its education efforts. Informational letters regarding trail project efforts and “do’s and don’ts” on the mountain will be mailed out soon.
- City staff met with the BLM Tucson Office on June 14 regarding the continuing efforts to expand non-motorized hiking, biking and equestrian trails on 80 acres of BLM land in the Southern portion of the mountain via the Recreation and Public Purposes Act.
- City staff continues to meet with northern private property owners hoping to develop public easements for a legal trailhead. Stay tuned for more information!
